Welcome to Stewart PTA!

We would like to extend a warm welcome to all of the students, parents, guardians, teachers and administrators of Stewart for the upcoming 2019-2020 school year.

The PTA has been busy working together to ensure our committees are ready for the year! The PTA provides programs such as **Book NOok, Assemblies, Book Fair, Earth Week, Field Trips, Science Olympiad, Holiday Parties, Red Ribbon Week, Holiday Workshop, Reflections, Relay for Life,** and **much, much more**! Fundraising gives us the ability to provide these programs. Our budget is ***over* $13,000** and this all goes to programs that benefit our children! But, in order to do all of this… **WE NEED YOUR HELP!!**

HOW CAN YOU HELP?

The PTA welcomes everyone to become involved in some capacity. You can simply show your support by signing up to be a member of the PTA (actual volunteering is not required.) If you would like to take a step further, you could become an active member of the Stewart PTA and join us at our meetings and/or volunteer your time on one or more of our many committees. **The PTA does require your membership and clearances to volunteer for Classroom Holiday Parties and to chaperone for Field Trips.** We would love to see you at our meetings and to hear your voice regarding school business as well as to use your help making all of our wonderful programs a success! On the next page, you'll see a sign up form for membership and committees. More information about each committee can be found on **Stewart's website** under **"PTA"**.

PTA Meetings: 2019-2020
